

Green Emeryville!

Join us for a community meeting about the new Horton Landing Park, which will connect the Emeryville Greenway to the new South Bayfront bicycle and pedestrian bridge.

City of Emeryville
1333 Park Avenue
Emeryville, CA 94608

The City of Emeryville is designing a new park that will extend the Emeryville Greenway south from the Stanford/Horton intersection to the new pedestrian-bicycle bridge that will be built over the train tracks to the Bay Street shopping area.

Please join us for a community meeting to provide input on the Horton Landing Park design and the design of other natural areas near the new bicycle and pedestrian bridge at Bay Street.

Horton Landing Park Meeting

Saturday, June 21, 2008 | 9:30am to 12:00pm

Middle School Building

1275 61st Street at Doyle, Emeryville
