HOW DOES PARKS AND RECREATION MAKE MY LIFE BETTER?

**PLAY:** Safe, outdoor space — For us, the biggest benefit is a safe, outdoor play space for our kids today... and as they grow.

**NATURE:** Beauty and serenity — Being in nature makes me feel alive. I feel lucky to have this beautiful, serene place so close to home. I want my grandkids to have the same appreciation for parks.

**EXERCISE:** Healthy movement — Parks are made for moving at my own pace — our family walks, plays and cycles. The recreation programs make it easy to stay healthy.

**POSITIVE SPACES:** Free-time fun — My neighborhood park is more than a place to chill. It keeps me thinking straight and away from trouble. It's free — and it's really fun.

**GATHERING PLACES:** Socializing and learning — Parks are like holidays, bringing us together to share good times. They are the common ground that connects us all.

**FOREVER:** Valued today and always — Parks enrich our lives. They add value to our homes and neighborhoods. Individually and as a community, we'll always have that need.

Policy on Non-Discrimination on the Basis of Disability

The City of Emeryville does not discriminate on the basis of disability in the admission or access to its programs or activities.

An Americans with Disabilities Act (ADA) Coordinator has been designated to coordinate compliance with the non-discrimination requirements contained in the Department of Justice regulations implementing Subtitle A of Title II of the Americans with Disabilities Act (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public agencies. In compliance with the ADA, a person requiring an accommodation, auxiliary aid or service to participate in this program should contact the sponsoring department or Michael Guina, City Attorney, at 510-596-4380 or [mguina@emeryville.org](mailto:mguina@emeryville.org) as far in advance as possible, but no later than 72 hours before the scheduled event. The best effort to fulfill the request will be made. All documents are also available in alternative format, upon request.

Emeryville Child Development Center

NOW ENROLLING!

Emeryville Child Development Center  
1220 53rd Street, Emeryville • 510-596-4343  
Hours: 7:45am – 6:00pm, Monday – Friday

ABOUT US

The Emeryville Child Development Center (ECDC) is dedicated to providing children ages one to five years old with daily experiences filled with learning, laughter, and love. ECDC is operated by the City of Emeryville to provide families living, going to school, or working in Emeryville a safe and caring environment for their children year round.

The center is staffed with teachers who support children’s growth in all areas of development. We provide age appropriate developmental activities. Age appropriate lunch and snacks for all ages are served. The center also boasts some of the best caregiver to child ratios anywhere in the Bay Area. Opportunities abound daily for each child to explore, create, experiment, and savor the rewards that come with success!

WHO CAN ENROLL

Priority will still be given to families that live in Emeryville, work in Emeryville, have children in the Emery Unified School District, or live in the 94608 zip code. Verification of residence or employment is required when enrolling. The Center also participates in a State subsidized program that allows for families in need to participate. Please call to set up a tour; space is limited. Contact (510) 596-4343.

For more information on our programs & services, visit our website at <http://emeryville.org/ecdc>.

### SWIM LEVEL DESCRIPTIONS

#### Parent/Child (ages 6 months - 3 years)

Water adjustment and safety skills for parent and child. This class is not designed to teach toddlers to swim independently, but to increase the comfort level of children in and around water.

#### Preschool (Ages 3 - 5 years)

For children with little to no water experience who start their aquatic journey through song, rhymes, and games.

#### Levels 1 - 4 (Ages 6 - 12 years)

##### • Level 1: Introduction to Water Skills

For children with little or no water experience who do not yet go underwater. The child learns to submerge face independently and is introduced to floating and locomotion in the water.

##### • Level 2: Fundamental Aquatic Skills

Child must be able to submerge face for 3 seconds but may not be comfortable floating independently. Child learns to float on front and back and swim on front and back for a short distance.

##### • Level 3: Stroke Development

Child must be able to swim on their front and float independently on front and back. Children learn back crawl and refine front crawl with rotary breathing. They are introduced to elementary backstroke.

##### • Level 4: Stroke Improvement

Child must swim front crawl and back crawl for 10 yards. Front crawl and back crawl are refined, and elementary backstroke is learned. They are introduced to breaststroke and diving into deep water.

#### Adult (Ages 18+)

Group lesson for adults 18+ in beginner, intermediate and advanced swimming levels.

Senior Citizens Emery GoRound Property  
and Business Improvement District (PBID) Rebate

On February 2, 2016, the Emeryville City Council adopted Resolution No. 16-08 to establish a Property and Business Improvement District (PBID) Senior Rebate Program. If you are 65 or older, own your home and pay an assessment on your property for the Emery Go Round PBID, you may apply for a Senior Rebate that could mean savings for you.

HOW DO I APPLY AND RECEIVE A REBATE?

- **Where can I get an application?**  
The application is available through the City of Emeryville Senior PBID Rebate Program:
  - By calling: 510-596-4372
  - By emailing: [city\\_manager@emeryville.org](mailto:city_manager@emeryville.org)
  - On the City's website [www.emeryville.org](http://www.emeryville.org)Applications are mailed out to those who have filed in past years by the end of March each year.
- **When can I apply?**  
To expedite receiving your rebate, we would appreciate submission of the application is by May 1. Each fiscal year (July-June) the City will send an application to prior applicants at the end of March.  
*New applicants can also submit their applications according to the timeline shown above.*
- **How will I get the Rebate?**  
Eligible seniors will receive their rebate by a mailed check from the City of Emeryville.

ELIGIBILITY FOR THE SENIOR PBID REBATE

To be eligible for the Senior PBID Rebate:

- You or your spouse or registered domestic partner must be 65 years of age or older by December 31 of the year prior to your application.
- The rebate applies to your primary residence. You or your spouse or registered domestic partner must own your primary residence and be responsible for paying the PBID assessment on it.
- You and your spouse or registered domestic partner must claim this residence as your primary residence.

What is a primary residence?

- A primary residence is a residence in Emeryville in which you reside at least a total of six months during each fiscal year (July-June).

I am under age 65 and own my residence, but my spouse is over age 65. Do we qualify?

- Either you or your spouse or registered domestic partner must be at least age 65 years of age or older by December 31 of the year prior to your application in order to qualify. If you are under age 65 and you own your home, but your spouse or registered domestic partner is over age 65 and lives with you, you will jointly qualify for the Senior PBID Rebate.

I own a multi-family residence, reside in one of the units and rent the other units out. Will I be eligible for the Rebate?

- Yes. As long as you meet all the requirements of the program, you can apply for the rebate on the proportion of PBID assessment that is applicable to your primary residence.

I am over the age of 65 and own two properties. Can I receive the rebate on both?

- No. You and your spouse or registered domestic partner can only receive one rebate per year for your primary residence. Secondary residences such as rental properties or vacation homes are not eligible for the rebate.

I am a senior who rents an apartment. Do I qualify?

- No. The rebate is available to seniors who own their home and directly pay PBID assessments.

CHANGES IN OWNERSHIP/RESIDENCE

I am moving to a new residence; how do I get the rebate?

Your move will determine if you qualify for a rebate at your new residence. You are eligible to apply for a rebate if you own and live in the residence on the property assessment due date. The following is a general guideline:

- If you take possession of your new residence **before** the PBID property assessment due date, you are eligible to apply for the rebate on your new residence. In this situation the prior owner would not be eligible.
- If you take possession of the residence **after** the PBID property assessment due date, you may not apply for the rebate on that property for that year, but you may apply for your old residence if you owned and lived at the property as of the PBID property assessment due date.

OTHER QUESTIONS

Does my PBID assessment have to be paid before I submit my application to receive the rebate?

- Yes. Your PBID assessment must be paid prior to submitting your application for the rebate. Rebates will not be processed until after the PBID assessment due date.

My property taxes are currently in arrears. Can I submit an application to receive the Rebate?

- No. An application for the rebate will not be processed until such time as the property taxes are no longer in arrears.

FAQ

Why should I pre-register for activities?

Almost all activities require pre-registration. Without pre-registration, our staff will not be able to have the correct supervision or supplies to make sure you have a great experience. Note: A few of our community/special events and senior activities do not require pre-registration. These will be noted in the activity/event description.

How do I register for youth, adult, and senior activities/events in Emeryville?

There are two (2) ways to register:

ONLINE: Please visit [www.emeryville.org/register](http://www.emeryville.org/register) to register for almost any program! CivicRec requires immediate payment, so make sure to have your debit/credit card or electronic check handy. Avoid wasting gas, paper, and time waiting in line...register online today!

WALK-IN: Register in-person weekdays at the Emeryville Center of Community Life (9:00am-6:00pm) or Veteran's Memorial/Senior Center (9:00am-4:00pm) for almost every activity and event. Be sure to bring your checkbook or credit/debit card too, fees are due in full to register for a program.

Why should I become a member of the Senior Center?

Membership is only \$31 per year, and entitles you to enjoy the many activities, events, and trips organized by the Senior Center. Members also receive 'The LINK', a monthly newsletter that gives up-to-date information that impacts seniors. Membership is open to residents and non-residents alike, so stop by the Senior Center to fill out the form or download it at <http://emeryville.org/150/50-Adults>.

Emeryville Community Services Department Program Class Refund/ Cancellation Policy

Refunds and cancellations will only be considered if they are requested within 14 days prior to the start date of the scheduled activity. In the event the Community Services Department cancels a class or program (due to inclement weather, low enrollment, etc.), a refund or make-up program will be offered. If the participant is unable to attend a class or program due to personal reasons outside of the dates specified, a refund or make-up lesson will not be granted (including pro-rated refunds).

A \$10.00 administrative fee will be applied, per customer, for each refund/cancellation. This fee may be deducted from the total refund amount if requested.

\*Certain Specified Senior Trip refunds must be requested within 30 days prior of the date of the trip. These will be specified in the Senior Center Newsletter "The LINK."

MINDFUL MOVEMENT FOR THE RELIEF OF PERSISTENT PAIN

Three (3) 6-week workshops in yoga therapy for the relief of persistent pain. Each weekly class in the series will include some education in pain science; Research has indicated that knowledge about the neurophysiology of pain improves the effectiveness of pain-relieving strategies. The bulk of the class will focus on “embodiment” practices that have proven effective for diminishing pain. Specifically, these are practices to improve breath, mind, and body awareness in order to change (regulate) the intensity of pain, and to improve one’s ability to discern and increase non-painful degrees of movement.

AIKIDO KOKIKAI  
Self-defense Martial Art  
Minimum effort, Maximum effect

This class teaches the Japanese martial art of Aikido. Aikido uses throws, joint locks & pins for self-defense against chokes, holds, strikes or weapons. It is not reliant on physical strength or size. Each class consists of warm up exercises, rolling and falling practice, and self-defense technique in pairs or small groups. Please wear comfortable yoga/workout clothing. This class is for beginners through black belts; no prior martial arts experience necessary.

Interested students are invited to stop by and try a class to see if this is right for them. Teaching ages 18 and up. Students find their lifestyles are enhanced - less stress, improved balance, better agility, and more confidence!

Meet the instructor! Cyane holds a 5th degree black belt in Kokikai Aikido and has been practicing for more than 20 years. In 2011, Cyane co-founded East Bay Kokikai Aikido to serve the Emeryville/North Oakland communities. Some practices are also led by other senior dojo members, typically having more than a decade of practice experience.

**GOOD NEWS! BULKY ITEMS ARE COLLECTED FOR FREE IN EMERYVILLE'S ANNUAL SPRING COLLECTION:**

Twice a year, Emeryville single-family neighborhood residents can set out "bulky" items or items that don't get collected in regular trash collection. One of those pickups can be scheduled individually by calling Waste Management at (510) 613-8700. The other pickup is the Annual Spring Neighborhood Collection, every April.

If you live in an apartment that is not in one of these neighborhoods, your property or HOA manager can arrange a collection for your property by calling Waste Management at (510) 613-8710. For guidelines, visit the City [website](#) or contact City Environmental Programs at [zerowaste@emeryville.org](mailto:zerowaste@emeryville.org).

ROTTEN CITY CULTURAL DISTRICT RECEIVES MAJOR GRANT FOR NEW ART PROGRAMS

One of just 14 State recognized Cultural Districts in 2017, the Rotten City Cultural District in Emeryville is set apart from the other districts, by its recognition as a center of makers and innovators, often hidden behind roll up doors. But like the other districts, state funding was limited to minor stipends for marketing and while this resulted in 25 attractive banners featuring local artists' works in City Hall, the greater vision for the District has yet to be realized. In June 2023 the City received \$671,000 to fund the Rotten City Cultural District for two years of programming of arts activities.

With a high per capita presence of working artists and such cultural meccas as Pixar Studios and Compound Gallery, the Rotten City Cultural District runs the length of Emeryville, CA centered on the Hollis Street corridor where makers and innovators in the arts can be found east and west of the spine of Hollis Street, with Compound Galley anchoring the north end and City Hall and Pixar Animation Studios at the south end. At the heart of the corridor, resplendent with a concentration of newly installed murals are Wareham Development's Campus, the Emeryville Celebration of the Arts, the 45<sup>th</sup> Artists' Cooperative, The Gallery at the Emery and Jered's Pottery. The Rotten City Cultural District is a place where art is produced, displayed, and the creative economy is celebrated.

Just as food is celebrated when served farm to table, the City long known as the Rottenest City west of Mississippi, proves with its Cultural District, a once rotten city can create fertile ground for creative endeavors. As murals explode across the District since the Sea Wall Festival hosted by Pangea Seed Foundation in September 2023, the proliferation of murals that include reference to the public art found in Emeryville has only begun to reveal the hidden treasures of the District.

Art by Lily Therens, installed at Topsy Putt at Bay Street

The City, with the Cultural Arts Council and local partners, is seeking to:

- Build support for a Performing and Exhibition Center for the Arts in Emeryville
- Brand and market the district #rottencityfertileground
- Support local artists incorporating works into District programs
- Develop an event schedule and event programs that highlight local partners, artists and the Districts strengths and innovations and build momentum for the Art Center's programming
- Arrange tours of studio spaces, host open studios, expand audio tours and reproduce and revise mapping and consider QR codes or icons for district assets
- Procure and complete design of signage, banners, or mural(s) to brand the District

SHARON WILCHAR BUS SHELTER ART PROGRAM

In it's VII Phase, the now called Sharon Wilchar Bus Shelter Art Program, has six artists and two alternate selected for installation in the four shelters included in the program. Artists to be displayed for four months in shelters at 40th and Emery, Hollis and 62nd, Shellmound and Bay, and Powell and Commodore. On June 6, 2023, the City Council approved for installation the following Emeryville artists:

- Naomi VanDoren – September -December 2023
- Lisa Rock January – April 2024
- Grégoire Vion May – August 2024
- Jess Cook September – December 2024
- Michele Theberge May – August 2025

# CELEBRATION OF THE ARTS 2023

October 7<sup>th</sup> – 29<sup>th</sup>, 2023

Each October, art fans have an opportunity to see the month-long Emeryville Celebration of the Arts Annual Art Exhibition. This year marks the 37th anniversary of the show and presents an impressive and varied array of artwork, fine craft, poetry, and dance by artists who live or work in Emeryville. Every day, hundreds of artists are working in Emeryville and this juried exhibition is their yearly showcase.

Truly a collaborative effort, Emeryville Celebration of the Arts is generously supported by the City of Emeryville, its business community, and generous individuals. The event depends heavily on the volunteer efforts of many including its Board of Directors, Operating Committee members, artists, residents, and numerous others who help pull together the details of the show. The exhibition represents the unique character of Emeryville, a city that is small in size but grand in the scale and spirit of its collective creativity – a City of Art and Innovation. The thirty-seventh Annual Emeryville Art Exhibition is open October 7th-29th with a gala opening reception on Friday, October 6th, 6-9 p.m.

Kathleen Hanna will curate the 37<sup>th</sup> Annual Art Exhibition. Ms. Hanna is an independent curator and exhibition designer. The other jurors are Emilee Enders, Curator of Exhibitions and Programs, Bedford Gallery, Walnut Creek and Jan Watten, Founder and Curator, Gray Loft Gallery, Oakland.

For more information on the **location** of this year's exhibition, **gallery hours** and **events** or to become a **volunteer**, please visit [www.emeryarts.org](http://www.emeryarts.org).

# EMERYVILLE'S CONTINUED SUCCESS WITH SEE CLICK, FIX!

See Click Fix is a website (and app) that allow citizens, residents and visitors to quickly and easily report problems such as potholes, graffiti, drainage and flooding. These reports – and any photos taken - are then forwarded directly to departments throughout the city with all the information needed to get the job done.

Emeryville, CA has been an official SeeClickFix partner for four years now, and many members of the public use it regularly. The platform offers a centralized and integrated management system, whereby city officials can communicate with citizens, track issues and monitor success. This unified and citizen-connected platform help maintain both the quality and efficiency of service throughout Emeryville.

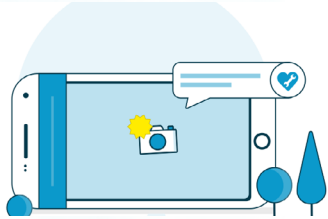

To report an item or event via a regular web browser, go here:

# 4300 SAN PABLO INTERGENERATIONAL HOUSING PROJECT

A new 5 story building accommodating 68-unit 100% affordable intergenerational housing project was recently approved by the City. The project will be constructed by EAH Inc, a well-known affordable housing development firm. City staff is working with EAH to develop financing options for this project.

INTERPRETIVE SIGNAGE ALONG THE GREENWAY

A series of ten historic interpretive signs are planned along the southern portion of the Emeryville Greenway between Sherwin and Stanford Avenues, next to the railroad. The conditions of approval for “The Emery” project (formerly known as “Sherwin Williams”) require the applicant to install six signs, and four more will be installed to the north in Horton Landing Park and on the new bicycle-pedestrian bridge over the railroad. Most of these signs will be strategically located where the viewer will be looking towards the former location of the historical feature that is described on the sign. The subject matter for these signs has been developed by City staff. Here is a summary, from south to north:

**1. Welcome to the Emeryville Greenway.** This sign will tell the story of the transformation of the former Southern Pacific Interurban Electric Railway (IER) commuter rail line into a pedestrian and bicycle path through the city, connecting with Oakland to the south and Berkeley and Albany to the north.

**2. Sherwin Williams.** This sign will give the history of the Sherwin Williams paint company factory that existed on the site of The Emery project for 85 years, from 1920 to 2005, until it was moved to Reno, Nevada. The factory sported an animated neon sign that was 75 feet tall by 320 feet wide, and could easily be seen from Treasure Island and the Bay Bridge.

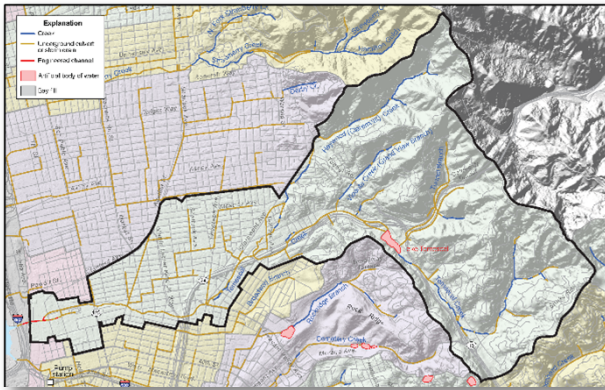

**3. Judson Manufacturing.** The third sign will describe the oldest and largest industrial facility in Emeryville, founded by Egbert Judson in 1882, which was replaced by IKEA 115 years later in 1997. Wallace Christie, Emeryville’s first Mayor, who held office for 40 years, was Judson’s Assistant Manager, and a “pre-meet” for the first meeting of the Emeryville City Council took place in his office at the Judson plant.

**4. Two Emeryville Pioneers.** In 1859, Edward Wiard acquired 115 acres on which he developed a horse racing track and an amusement park. The same year, Joseph Emery acquired 185 acres to the south and laid out the Park Avenue District. This sign will describe the symbiotic relationship of these two Emeryville pioneers.

**5. Emeryville’s Mexican Heritage.** The area that is now Emeryville was once part of a vast Spanish land grant called Rancho San Antonio, which was given to Luís María Peralta in 1820 for his service to the crown. This sign will describe the history of the rancho.

**6. Temescal Creek.** For millennia, since long before human habitation of the area, Temescal Creek drained an area of about seven square miles of what is now North Oakland and Emeryville. The indigenous people settled around the willow thicket at its mouth, and Vicente Peralta built his hacienda near the creek. This sign will be located just south of the Greenway bridge over the creek.

**7. Welcome to Huchiu.** This “land acknowledgment” will pay tribute to the indigenous people of the area and will emphasize the great importance of the land between Oakland and Richmond, known as Huchiu, to the Ohlone people, who have lived here for millennia.

**8. Shell Mound Park.** This sign will harken back to a time when people mostly of European descent did not pay tribute to the indigenous people, but danced and recreated on top of the old Emeryville shellmound. A vintage “Sanborn map” and old photographs will illustrate the many features of this amusement park, which existed from 1877 to 1924 where Bay Street is today. This sign will be located where the “Shellmound” railroad station was.

**9. Northern Railway.** Mounted on the railing at the east end of the new pedestrian-bicycle bridge, with a panoramic view of the rail line below, this sign will tell the story of the Northern Railway, completed in 1879, which provided a direct route from Sacramento to the Bay, via the world’s largest railroad ferry across the Carquinez Strait.

**10. Emeryville’s Horse Racing Track.** The tenth sign will be mounted on the railing at the west end of the new pedestrian-bicycle bridge, and will feature a photograph taken from almost the same vantage point over 100 years ago showing Oakland Trotting Park, the large horse racing track that once stood where the BioMed Realty and Grifols research and development campuses are today.

PUBLIC WORKS CONSTRUCTION UPDATES

This year continues to be a busy construction season for the City of Emeryville. Please see below and check out the City website [here](#) for details on upcoming construction projects throughout the City.

ANNUAL PAVING PROJECT

The 2022 annual paving project was completed in Winter 2022 with re-configurations of streets in compliance with Emeryville's Complete Street Policy to improve safety for pedestrians and bicycles. New and improved facilities were installed on 47th Street, Steve Dain Drive, Doyle Street, 41st Street, and various intersections along Adeline Street. Updated details on the 2022 project and future paving projects can be found [here](#).

QUIET ZONE

The Quiet Zone project kicked off in June 2022 and construction is expected to last 12-18 months with the establishment of a quiet zone in early 2024. The crossing at 65th and 67th Streets will be receiving engineering improvements and the crossing at 66th will be permanently closed. Find more project details [here](#).

HORTON & 53RD STREET CYCLETRACKS AND TRAFFIC CALMING

As a part of the new BioMed Realty "Emery Yards" development project, Horton Street from 45th to 53rd and 53rd Street from Hollis to Horton work will be underway for construction of traffic calming, new streetlighting, and cycletracks. Anticipated opening of these improvements is Spring 2024.

GREENWAY

Take a st(roll) over to 66th & the Greenway to check out the new bicycle and pedestrian counter. This counter will allow the city to track usage over time and support applications for future bicycle and pedestrian projects.

HDS

In partnership with CalTrans, the City will be installing a large hydrodynamic separator to capture trash from the storm drain on West MacArthur near Emery Street. Work is anticipated to be complete by the end of spring.

MARINA PARK AND POWELL STREET LIGHTING IMPROVEMENTS

New lighting upgrades are coming to the parking lots and trails in the Emeryville Marina Park in 2023. Lighting and pole upgrades will also be installed along Powell Street west of I-80.

STREETLIGHT PAINTING

Keep your eyes out, throughout 2023 all 439 of the decorative streetlight poles in Emeryville will be getting a fresh coat of paint.

40TH STREET TRANSIT-ONLY LANES AND MULTIMODAL ENHANCEMENTS PROJECT

The final designs have begun for the future of 40th Street. The Project is a two-way separated Class IV bikeway on north side of street, multimodal intersection improvements, transit-only lanes, transit island with shelters, side street pedestrian and bicycle safety improvements, and various pedestrian amenities to reduce pedestrian and bike conflicts with motor vehicles. The Project is fully funded for design with regional and state funding sources and is fully funded for the construction of the Phase 1 portion of the Project. In July 2023, City Council approved adding a Phase 2 to the project extending the Project limits 0.5 miles to Christie Avenue, now extending on 40th Street from Adeline Street on the east side, through the Bay Bridge trailhead near IKEA, and then all the way north on Shellmound Street to the Bay Trail bike/ped connection at Christie Avenue. For full Project descriptions, phases, and concept diagrams, please see the website [here](#).

SHERWIN AVENUE PARK AND GREENWAY

As part of the Quarterra "The Emery" project at Sherwin Avenue, a southern extension of the Emeryville Greenway, public park, and community garden are under construction and slated for opening this Fall.

CAPITAL IMPROVEMENT PROGRAM

FISCAL YEARS  
2023-24 to 2027-28

On June 6, 2023, the City Council adopted the 2023-2028 Capital Improvement Program (CIP), is a five-year plan which helps guide Emeryville's investment in our public buildings, parks, streets, sewers, and other City facilities. The Plan includes \$68 Million in funding across 46 projects that will build, replace, or improve public infrastructure. To learn more about the plan, visit [Emeryville.org/CIP](#).

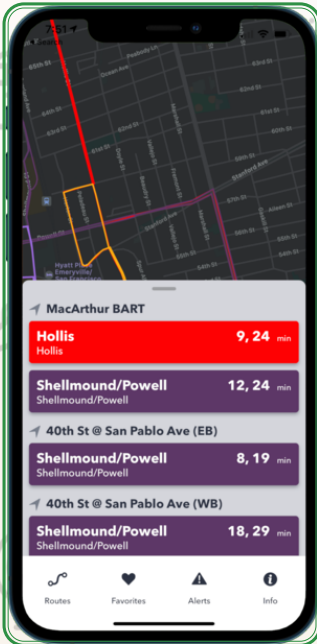

**The Emery Go-Round is a last-mile shuttle service,** provided by the Emeryville Transportation Management Association, to connect employees, residents and visitors of Emeryville from the MacArthur BART Station to various locations throughout the City. The service is fare-free and open to the public.

The service is primarily funded by property owners in the citywide Property and Business Improvement District (PBID). It is partially funded by the Alameda County Transportation Commission.

Emery Go-Round is a service of the Emeryville Transportation Management Association, a non-profit organization whose primary objective is to increase access and mobility to, from and within Emeryville while alleviating congestion through operation of the shuttle program. The organization is governed by a Board of Directors, who also serve as the official representatives of property owners for the business improvement district. The Board of Directors hold regular meetings which are open to the public. The meetings are scheduled for the third Thursday of most months and are held at 9:15 am.

## City of Emeryville Labor Standards

**The Emeryville City Council adopted the Emeryville Minimum Ordinance (EMC 5-37) on July 2, 2015.**

The Ordinance requires higher rates for minimum wage and paid sick leave for eligible employees than the State of California. It also requires that all Hospitality Service Charges are paid to the Hospitality Workers who work the events for which a service charge is collected. Each year the minimum wage rates will increase on July 1st. The minimum wage starting July 2023 will be \$18.67.

The Living Wage Ordinance allows for city employees, contractors/subcontractors, lessees of public property and recipients of financial aid to earn a self sufficient wage rate above the state wage rate effective July 1, 2007. The **Living Wage** rate starting July 2023 will be \$18.00.

For more information: [Living Wage Ordinance | City of Emeryville, CA - Official Website](#)  
Or contact April Shabazz at 510-596-4316

Paid Sick Leave Requirements Remain the Same:	
Small Businesses (55 or fewer Employees)	48 Hours per year
Large Businesses (56 or more Employees)	72 Hours per year

\*Increase based on the 2017 Calendar Year Consumer Price Index (CPI).

**MEASURE BB FUNDING**

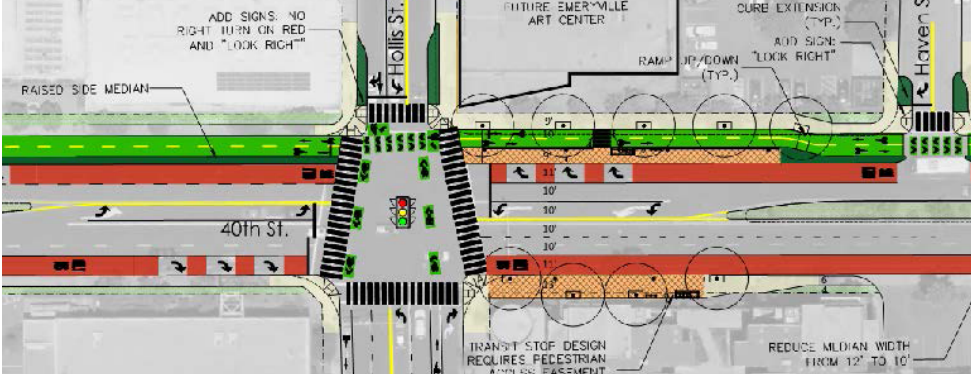

**ALAMEDA**  
County Transportation Commission

**Your Transportation Dollars at Work!**  
[www.AlamedaCTC.org](http://www.AlamedaCTC.org)

In November 2000, Alameda County voters approved Measure B, a 0.5% sales tax, to deliver essential transportation improvement and services. In November 2014 voters approved Measure BB which provided for a 30 year extension of the 0.5% sales tax and an additional 0.5% to bring it up to a 1% sales tax. In November 2010, Alameda County voters approved the Vehicle Registration Fee (VRF) Program, thereby authorizing the collection of an annual vehicle registration fee starting in May 2011. Funds raised by the VRF Program are for local transportation purposes in Alameda County.

More information and future project updates for our Annual Street Rehabilitation Program can be found on the City's Construction Project website (<https://www.ci.emeryville.ca.us/1215/Annual-Street-Rehab>). Stay current on project notifications via the City's Twitter (@EmeryvilleCA). More information about Measure BB is available at <https://www.ci.emeryville.ca.us/354/Measure-B>.

- Each year, the City of Emeryville receives approximately:
- \$500,000 in Measure BB funding to improve and maintain our local streets and roads
  - \$50,000 in measure BB funding to construct and upgrade pedestrian and bicycle facilities
  - \$60,000 in measure BB funding or paratransit assistance to aid in the mobility of seniors and persons with impairments
  - \$45,000 in Vehicle Registration Fee funding to reduce congestion and vehicle pollution.

- Recent projects that are funded partially, or in full, by Measure BB funding are as follows:
- Annual Street Rehabilitation and Preventive Maintenance Project
  - Doyle Street Quick-Build, Phase 2
  - Innovative Deployments to Enhance Arterials (IDEA) Project
  - Emeryville TCEP Quiet Zone Project
  - 40th Street Transit-Only Lanes and Multi-Modal Enhancements Project.
