

Emeryville Teen Center Family Handbook

Vision and Mission of the Emeryville Teen Center:

The Emeryville Teen Center is an oasis where teens socialize in a safe space and engage in a variety of positive activities, all under the guidance of dedicated adult mentors. Teens deserve a space where they can be themselves, connect, push out of their comfort zone, and learn new things. We are dedicated to being that space and hope teens have an enriching time with us during every visit, class, or event.

We are excited to welcome your teen to the Emeryville Teen Center or the “ETC”. Please review the guidelines with your teen prior to registering. The application and handbook are to be used for teen room access, classes, clubs or events. Reach out to us if you have any questions: csd@emeryville.org, teens@emeryville.org or call 510-596-4395. Teen room phone: 510-844-7297.

Please Note: The section below describes the level of freedom a teen will have in accessing our facility. If you are a parent/guardian of a middle schooler and wish for a more structured program where attendance is monitored, please consider signing up for the Middle School Rec. program. For more information, please call 510-596-4395.

Adult Supervision and Teen Usage:

- There will always be an adult in the ETC.
- Teens are able to sign-in and out on their own and are required to do so upon each visit.
- There is not a minimum day/hour a teen has to participate. Because of this, your teen **will not** have a set schedule that a staff person keeps track of. This means that if your teen comes one day, but not the next, or they leave early/arrive late, you will not receive a notification from our office.
- Once a teen signs in, they will be allowed to go to the bathroom or to get water with staff permission, however they must remain present in the teen center.
- Teens must sign up if they are leaving the teen center to visit another part of the campus or when leaving the ECCL altogether. If they decide to return, they will need to re-sign in.
- Payment of the daily rate is good for the entire day.
- The Teen Center will open and close based on the advertised time. Teens will not be monitored by a staff member outside of those times and outside of the Teen Center itself. Teens are welcome to stay at the ECCL until it closes at 10pm but they will be unsupervised. Anyone on campus will be asked to leave if they are causing a disturbance by facility staff. If you are on the ECCL office and the teen center is closed and there is an emergency, please go to the pool office to contact a staff person 1170 47th street Emeryville, CA 94608-510-596-4385.

The ETC is located on the sprawling Emeryville Center of Community Life (ECCL) campus in Building B. Students must enter through the A1 gate through the San Pablo Ave. entrance (4727 San Pablo Ave.) and turn left into Building B. Check-in is at the front desk and once approved you teen will be let into the teen center.

Behavior Expectations: The ETC is a safe space for all teens. Each teen should feel like they can be themselves, free without consequence. To ensure this ideal comes to life, the following behavior rules are to be followed:

- Teens are to treat one another and staff with respect, dignity, and courtesy.
- Teens are to follow the direction of the center staff upon the first request.
- Teens are to refrain from loud outbursts, inappropriate language/conversations (profanity, racial and homophobic slurs, insensitive comments to one's culture, physical appearance, disability, identity, etc.), bullying, harassment, sexual harassment, threats, roasting, etc. Note that The Rec does not consider revenge or sticking up for yourself with the use of physical violence as "Self-Defense."
- Teens are to refrain from inappropriate physical interactions that are violent in nature, in addition to playful fighting/wrestling, roughhousing, sitting on laps, hand holding, cuddling, petting, staring, following/stalking, being under coats/blankets/desks, public displays of affection, and any other interaction a staff deems inappropriate, regardless of consent and/or gender.
- Teens are not to run in the center
- Reasonable accommodation for a quiet space to sleep/rest is not guaranteed.
- Teens should not be soliciting (selling items)

Description: Unique and Unplugged Hour-All Teens

This time is specially designed for students who thrive in an environment that is quieter and without screens. We invite students that characterize themselves as unique, quirky, or just plain different. This may mean you identify with the neuro-divergent community, LGBTQIA+ community, or have specific interests that are not typical of today's teen world. We encourage apprehensive or shy teens to check out this time as an introduction to the teen center.

Accountability Process: If teen behavior or actions are not in keeping with the culture and vision of the space, any and all steps below may occur:

- If a teen is treating others in a way they do not want to be treated or violating one of the rules in this handbook, they will be given one warning. If it continues, they will be asked to leave, and a phone call home will be placed.
- Upon the next incident, the above step will repeat but a final warning will be given.
- If another incident occurs, your teen will be asked to leave and they will be restricted from the center indefinitely. This may also result in them being restricted from the ECCL campus during Teen Center hours.

- In extreme circumstances, Emeryville Police will be called to support teens who are having a hard time deescalating after a conflict.

Depending on the behavior, any and all of the steps above may be skipped and restricting access to the facility may go into effect immediately. This may be the conclusion if staff are not able to get in contact with a parent/guardian to resolve the matter initially.

Trash, Vandalism, Theft, and Damage:

- All teens must keep this shared space clean. To avoid unsanitary pests like ants or mice, all trash must be thrown into the correct bin, and surfaces must be wiped down after eating/drinking.
- We ask all our patrons to let us know if there is something that needs to be cleaned, and to only eat at the tables.
- Use furniture and supplies for their intended use. Do not sit on tables, throw items, stand on chairs/couches, etc.
- Do not put your feet on the furniture.
- Please report any damaged or missing equipment to the center staff immediately. Reporting after use will not absolve you from being responsible for repair or replacement of items.
- Theft of any item will not be tolerated. Students are not to take materials, decorations, games, technology, etc. out of the center area. Students caught stealing will not be allowed to return to the Center indefinitely.
- Intentional and/or accidental vandalism and damage to teen center items (including the building, restroom and premises) will be charged to the parent/guardian account and payment will be required prior to the teen returning to the center.
- Payment to replace or repair items will be based on estimates and/or the initial cost of the item.
- Depending on the nature of the incident, a teen may lose the ability to return to the center indefinitely and Emeryville Police may be involved.

Memberships/Refunds/transfers:

- EUSD students can access the Teen Center under the free membership option. Emery graduates can still access the teen center until August 1st of their graduating year and/or until they turn 18 (whichever occurs first).
- Emery students who transfer out of the school district will receive an invitation to pay for membership, and their free membership will end.
- Refunds and transfers are only available on the monthly teen room pass or drop-in fee if that month has already started. Once a month has started there are no refunds or transfers.

Illnesses, Health, Concussion Protocol, and Physical Safety:

If your teen falls ill during their time at the center, staff will call to notify a parent/guardian and ask for a pick-up within one hour or if that student is a walker, they will be released home to walk home after our

phone call. Pick up/release to walk home is required within that hour. Failure to do so will result in your teen not being able to access the teen center for a 30-day period.

If your child sustains a head, neck, or back injury they will go through a series of steps and questions to determine whether an EMT should be called or not. In some cases, they will be released to a parent/guardian and advised to monitor them for at least 24 hours.

We expect all participants to do their best to remain physically safe. wash their hands, cover their mouths, utilize masks and hand sanitizer when rescissory. Wash your hands before and after eating and when using the restroom.

Food and Drink:

- Food and drinks are only allowed at the tables. Teens are not allowed to drink on the soft surface furniture or near any of the games.

Teen Center Books:

- Choose a book that you'd like to read and take it up to the staff counter. Sign out the book and turn in an item that you'll remember to get once you leave the teen center, like a purse, backpack, jacket, etc.
- Read the book at your leisure. Once you're done you can reserve the book (keep it at the front desk for you to read once you return to the center) or you can return it and get your item back.
- Books must be returned in the condition they were lent out in. Do not fold the book cover back, fold down the pages, highlight, write in the book, etc. Damaged books will fall under the Trash, Vandalism, and Damaged policy found within this guideline.

Phones, headphones, earbuds, tablets, computers:

- The teen center is a place for teens to socialize, push themselves to do new things, make new friends, talk to each other about things they are reading, thinking, and experiencing, etc. You can be on your screens at home! The teens responsible for the air hockey items will be responsible for any lost or damaged items per the Trash, Vandalism, and Damage section of this guideline.
- Rock Paper Scissors Shoot for who gets to start the game by facing off (Face off: A serve by hitting the puck into their opponent's side of the table).
- Always keep your non-playing hand off the table and behind your back
- The person who scored does the face off after the goal
- You cannot reach over the half-way point to hit the puck. A goal made as a result does not count and the opponent will do a face off to start the game again

- Players have 20 minutes to play the game if there are other teens waiting. At the end of 20 minutes, the highest score wins.
