## HIGHLIGHTS

This report summarizes the activities of the Community Development Department for the month of June 2024. For historical information, prior months' reports are available in the online [Archive](#). For additional details on any of the included topics contact Community Development Director Chadrick Smalley at [csmalley@emeryville.org](mailto:csmalley@emeryville.org).

Major Highlights for this period and discussed in more detail below include:

- On June 4<sup>th</sup>, the City Council adopted the first reading of an ordinance that limits certain auto-centric land uses in the City. The adoption of this ordinance creates a unique approach to regulating automotive related land uses: the City will have new land use classifications specifically for alternative-fueled vehicles, allowing for the sale and fueling of these types of vehicles, and prohibit the establishment of new gas stations, car washes or traditional auto dealerships (i.e. dealerships with large parking lots). The ordinance also bans the establishment of new "personal storage" uses. The total effect of these ordinances is to limit the proliferation of land uses that are inefficient while encouraging land uses that are more environmentally responsible.
- On June 18<sup>th</sup>, the City Council approved the guidelines for the Emeryville Accessible Living Initiative. This is a new program that provides assistance to homeowners, homeowner associations, and below market rate rental housing project owners to implement accessibility upgrades to their properties. The program is funded through a state Prohousing Incentive Program grant, which was awarded to the City in recognition of the City's status as a Prohousing jurisdiction.
- June included a lot of exciting activity related to the arts:
  - Staff is in the process of updating the City's Public Art Map. This update will be the third since the establishment of the map, and the first update since 2017. The Public Art Map is one of the most-requested pieces of print collateral produced by the City, and it can be found in hotels and other businesses, or picked up at City Hall. Staff also launched a FaceBook page specifically for the Public Art Program, to provide a way of communicating highlights, events and activities related to the arts in Emeryville.
  - The Rotten City Cultural District (RCCD) partnered with CenterCal Properties, the owner of Bay Street, for an operation headquarters/event space at Bay Street. The RCCD programs are funded through a grant of state funds made to the 14 existing Cultural Districts designated by the State. These funds are being used to advance arts programs in the City through mini grants, a program of events, marketing and other activities. The partnership between CenterCal and RCCD is innovative and holds tremendous promise because it links the City's artist community to the City's most visited commercial center. The RCCD headquarters at Bay Street will launch in early August.

### ***Other Policy and Program Activities***

#### Economic Development

Staff convened the second meeting of the Art Center Advisory Group (ACAG) on June 11<sup>th</sup>. The ACAG received an update from the City's consultant team on upcoming activities and was provided with an introduction and overview of the architectural firm selected to evaluate the feasibility of reuse of the existing building.

Staff attended the East Bay Economic Development Alliance's Economic Development Director's Council meeting on June 13<sup>th</sup> in Union City. The meeting featured a panel discussion of commercial real estate brokers specializing in life science/research and development spaces, and included a discussion from staff from the Cities of Fremont and Berkeley on those Cities approach to life science development.

Staff provided assistance to the Finance Department in evaluating proposals from financial advisory firms. The City will be contracting with a financial advisor to assist with the refunding of outstanding redevelopment bonds.

Staff met with representatives of the Emeryville Transportation Management Association to discuss the Metropolitan Transportation Commission's "Clipper BayPass" pilot program, which provides a commuter benefit to employers in the form of a Clipper card with unlimited rides on nearly every Bay Area transit system across nine counties.

#### Affordable Housing

In the current period, staff continued development of programs and policies related to the City's Pro-housing Designation, Affordable Housing Bond Administration and Expenditure Plan, and Housing Element. The Emeryville Accessible Living Initiative for residential accessibility improvements was adopted by City Council. Staff continued to work with Hello Housing to finalize the launch of the First Home Emeryville down payment assistance program, anticipated for late Summer.

Staff met with two tenant rights attorneys to discuss eviction trends in Alameda County and recommendations for additional eviction protections to add to the City's Residential Landlord and Tenant Relations Ordinance.

Staff communicated with the owners of two BMR Rental Projects about the potential refinancing of their projects.

Paid Parking

In June, decals to initiate “Text-To-Pay” were installed on meters and kiosks. Later this year marketing materials from IPS and a website update will augment the roll-out of this pilot program.

Public Art

*40<sup>th</sup> Streetscape Public Art* – On June 5<sup>th</sup> staff oriented five semifinalists to the Streetscape Project, timeline and artists expectations, followed by site tours for the artists with the design team and staff.

*Sharon Wilchar Bus Shelter Art* – This program’s seventh phase is underway, with artist Grégoire Vion on display through August. In June, Jess Cook’s work and artist statement were submitted for layout and printing; her work will be installed in September.

*Visual Art Grants* – In June, staff completed contracts with half of the artists approved by the City Council for funding, including (artist and proposed location of work):

- Sean Griffin at Rising Sun
- Joey Rose at Bay City Pyrotector
- Salma Arastu at the Senior Center
- Packard Jennings on the Greenway

Staff is still seeking contract documents from the other half of the awardees including:

- Rachel Wolfe Goldsmith at Fire station 35 on Powell Street
- Juan Lopez at the Senior Center
- John Patrick Thomas at the ECCL
- Chris Granillo at EmeryTech

Salma Arastu will install her works in July, and John Patrick Thomas will install his in August. The remaining artists plan to install their works throughout 2024 and 2025.

*Rotten City Cultural District* –The ABG Art Group team developed a Rotten City Cultural District web page with video commissioned from Atomic Productions in Emeryville and an “about” page with original art work by Nigel Sussman and based on his *Emeryville Treasure Map* mural. A calendar of events is available for July and will feature all cultural events in Emeryville going forward. An artist database will be opened for artists enrollment in July, and the revised public art map and walking tours of public art are expected to be produced by September.

The RCCD mini-grant awardees include:

- DJ Walt Digz – Cuban Salsa Outdoor Dance Social in park, plaza, or any other available outdoor space – July/August
- Vickie Jo Sowell – four weekend events “Placemaking in Nature” at Big Daddy’s Garden with Judith Blankman, Praba Pilar, Wanda Stewart, and Deborah Angyo Gorman, Christina Berteau, and Rafael J. Gonzales - August
- Michael Murphy – an exhibition of a retrospective of his works in collaboration with the Emeryville Historical Society for a display of historic changes in Emeryville as his work progressed. September 2024

- Imari Mubarak (cheflee) and James Whalen and Gavin Grant - musicians performing for the public in an immersive projection mapped installation piece. – October
- Musicians with Keys to the City with Wareham Development – a series of five experimental music performances at 5858 Horton Street's foyer as a "Lunchtime Low-volume Experimental Series" – November
- Erin Fong – two different workshops: Color Connection Workshop and Letter Press and Paint Event - December

The RCCD partners will gather July 17<sup>th</sup> in the RCCD's newly obtained exhibition space at Bay Street. The space will be managed by ABG Art Group as the RCCD Headquarters and exhibition space. A group show highlighting a variety of artists' media in Emeryville will open in the space on August 2<sup>nd</sup>. A Block Party featuring artists and cultural events is planned for August 24<sup>th</sup> and 25<sup>th</sup>.

On March 22, 2007, Commission deadlocked 3-3 on project, with one recusal, so application went to Council without a Commission recommendation. On April 17, 2007, Council approved project 4-0 with one recusal. Council approved one-year extension request on January 20, 2009. Council considered second extension request on April 20, 2010 and directed that ordinance be modified to allow demolition of existing house prior to issuance of building permit for replacement structure. Revised ordinance was passed on September 21, 2010 and took effect October 21, 2010. Planning Commission considered extension request, and new finding allowing demolition of existing house, on December 9, 2010, and voted to recommend denial to City Council. City Council held public hearing on January 18, 2011 and continued it to February 1, 2011, at which time they voted to approve extension to April 17, 2011, but not to allow demolition of existing house until building permit for replacement structure is ready to issue. Resolution to this effect was passed on February 15, 2011. Building permit applications submitted on January 18, 2011; extended to July 18, 2012 by Chief Building Official on November 21, 2011. Permit applications were approved and ready to issue but expired on July 18, 2012. Permit to remove street tree approved by Planning Commission on September 27, 2012. On March 13, 2014, City received letter from Alameda County District Attorney saying that applicant was the victim of a crime by which the property was fraudulently "sold" several times beginning on March 8, 2011 when a deed with a forged signature was recorded with the Alameda County Recorder. DA requested City to "place the property rights back into position held as of March 8, 2011." Thus, planning and building permits are still considered valid, and have been reactivated after a temporary suspension. Building permits were approved and ready to be issued in December 2016 pending payment of permit fees. On December 12, 2016, received permit application to demolish existing house. Demolition permit issued June 2, 2017; building permits for two new units issued June 7, 2017. Planning Commission recommended approval of design modifications to add roof decks on 4-1 vote with one abstention and one absence on January 25, 2018; City Council approved modifications on 3-2 vote on March 6, 2018. Issued Temporary Certificates of Occupancy on August 19, 2022.
