APPENDIX: MAJOR PROJECTS TABLE	

HIGHLIGHTS

This report summarizes the activities of the Community Development Department for the month of August 2025. For historical information, prior months' reports are available in the online [Archive](#). For additional details on any of the included topics contact Community Development Director Chadrick Smalley at csmalley@emeryville.org.

Major highlights for this period and discussed in more detail below include:

- The City's redesigned website launched in early August. This represented months of intensive work by nearly every staff member as content was updated and re-arranged for the new format. Community members are invited to provide input on the redesign through this [survey](#).
- The department commenced work on a host of policy projects in August, including the reintroduction of inclusionary housing in the City's Planning Regulations, an update of the Development Impact Fees, and strengthening of the City's Residential Landlord and Tenant Relations Ordinance. These are all policies included in the City's Strategic Plan and actions in August included (variously) procurement and negotiation of contracts for of consultant assistance, execution of those contracts, conducting kickoff meetings and gathering background information. This is a significant amount of work that will proceed over the course of several months, culminating in revised regulations for the City Council's consideration.

PLANNING DIVISION

Major Projects Table.

The attached Major Projects table contains basic project information, its status in the development “pipeline” and a chronology of major milestones.

TOP PRIORITY Strategic Plan Initiative: Sutter Health Development

Multi-Year Goal: Dynamic and Growing Businesses

A contract for preparation of an EIR for the Sutter project was approved by the City Council on July 1st, and since then staff has awaited a full application submittal from Sutter. In August, the applicant submitted payment to allow transportation studies to proceed, and staff corresponded with the applicant on transportation matters. A discussion with the applicant on transportation and circulation was scheduled for early September.

For additional detail and historical information, see the Major Projects table

Other Policy and Program ActivitiesEconomic Development**Strategic Plan Initiative: Art Center Project**

Multi-Year Goal: Quality Infrastructure and Environmental Stewardship

In August staff prepared an agenda item for the contract with the recommended fundraising consultant, CSS, and the analysis of operating models prepared by Art Is Luv / Jean Johnstone Consulting for the City Council's review on September 2nd.

Strategic Plan Initiative: 1245 Powell/Stanford Park Expansion

Multi-Year Goal: Quality Infrastructure and Environmental Stewardship

On August 1 staff held a kickoff meeting with Weiss Associates for the Environmental Remedial Design work needed for Alameda County clearance of the property. In late August, Alameda County provided a template Voluntary Remedial Action Agreement for the City's review.

Strategic Plan Initiative: Build BIPOC Small Business Support Program

Multi-Year Goal: Dynamic and Growing Businesses

On July 16, Northeastern University presented their BIPOC Small Business Needs Assessment research findings to the EDAC. The EDAC's discussion on the topic was robust and will continue to the next EDAC meeting, scheduled for September 17. In August, staff began discussions on a preliminary outline of a program for presentation to the EDAC.

Strategic Plan Initiative: Marketing Program

Multi-Year Goal: Dynamic and Growing Businesses

On July 16, 510 Media's final concept for the program was presented to the EDAC. The EDAC expressed strong support of the concept, and in August 510 Media began development of drafts of the program website.

Strategic Plan Initiative: Economic Development Outreach – Ongoing

Multi-Year Goal: Dynamic and Growing Businesses

Please see the table above for staff contacts with prospective businesses, new business, existing businesses seeking assistance, and property owners/real estate brokers on available sites. Additionally, staff attended the Emeryville Commerce Connexions event held on August 27 at Bay House apartments.

Affordable Housing**Strategic Plan Initiative: 4300 San Pablo Affordable Housing***Multi-Year Goal: Livable, Safe and Vibrant Community*

In August, staff continued to await the results of the developer's application for state Multifamily Housing Program funds, and awards are expected to be announced in August or September 2025.

Strategic Plan Initiative: Christie Sites Affordable Housing (The Perennial)*Multi-Year Goal: Livable, Safe and Vibrant Community*

Staff continued to meet with the developer to discuss financing options/progress.

Strategic Plan Initiative: First Home Emeryville*Multi-Year Goal: Livable, Safe and Vibrant Community*

The First Home Emeryville down payment assistance program launched in September 2024, and the City received high interest in the program with over 270 applications. Two First Home Emeryville loans have closed. Three applicants' conditional approval of funds has expired. Four applicants have an active conditional approval of funds and are in the process of finding homes to purchase.

Strategic Plan Initiative: Accessible Living Initiative*Multi-Year Goal: Livable, Safe and Vibrant Community*

All six borrowers completed work under the EALI program in June. Staff submitted and awaits reimbursement of the grant funds that supported this project (Prohousing Incentive Program).

Strategic Plan Initiative: Housing Element Implementation (short term)*Multi-Year Goal: Livable, Safe and Vibrant Community*

Staff continued to work on a variety of Housing Element programs. Below is an update on three programs underway.

Program A. Affordable Housing Program

The City Council approved the consultant contract on July 15th for this grant-funded effort. Meetings with the consultant were held on August 7 and 21.

Program EE. Resident Engagement

Recommendations on advisory committee composition is scheduled for discussion at a study session of the City Council on September 2nd. In August, staff prepared the agenda materials for this discussion.

Program MM. Monitor Changes in Federal/State Housing, Planning & Zoning Laws

Staff continued to monitor the California legislature and updated the housing legislation tracking report as bills moved through the legislative process.

Strategic Plan Initiative: Tenant Protection Updates

Multi-Year Goal: Livable, Safe and Vibrant Community

Staff continued to research various tenant stabilization policy options for future discussion and policy direction from the Housing Committee and Budget & Governance Committee. The policy topics staff are currently reviewing include:

- Modifications to the Residential Landlord & Tenant Relations Ordinance to expand BMR Tenant Protections
- Capping Unbundled Parking Costs for BMR Tenants
- Modifications to the BMR Tenant Recertification Requirements
- Tenants' Right to Organize
- Modifications to the BMR Rental Guidelines

As noted above, the City secured a \$250,000 Transit Oriented Communities Planning and Implementation Housing Policies grant to support: 1) the development and implementation of an inclusionary zoning policy, and 2) to expand protections in the just cause eviction, and tenant anti-harassment components of the City's Residential Landlord and Tenant Relations Ordinance. These funds will support some of staff's work on tenant stabilization policies. In June, staff obtained a proposal from a consultant to assist staff with the tenant protection policy work. Project kick-off is anticipated in September 2025.

Strategic Plan Initiative: Measure C Bond Programs

Multi-Year Goal: Livable, Safe and Vibrant Community

See the updates for First Home Emeryville, 3600 San Pablo Avenue, 4300 San Pablo and Christie Sites affordable housing project, which are funded by Measure C programs.

Public Art**Strategic Plan Initiative: Cultural District Programs***Multi-Year Goal: Livable, Safe and Vibrant Community*

In August , the Rotten City Cultural District (RCCD) month-long residencies continued, with Fernanda Martinez who held two receptions. The residency was used to develop six unique cardboard sculptures available to be installed in local office lobbies and other indoor locations, as available

Additional upcoming residences include Jennifer Mazzucco: September; and Lilian Schroth: November. October will include a special show celebrating artists with works in the City's collection for Art and Culture month and a panel providing artists with insight on how to have their work procured under public art programs and by private developers.

The RCCD sculpture will be installed during Arts and Culture Month in October 2025.

The marquee sculpture is being fabricated to utilize existing irrigation for living elements of a multimedia installation and to replace the nonfunctional windmill at the southeast corner of the intersection of Powell and Hollis . In August, the PAC reviewed the sculpture's façade, prior to fabrication. This work's unveiling, an event at Jered's Pottery called "Clay with your Food", and other events that incorporate RCCD mini-grant awardees (including DJ Walt Digz providing a salsa dance party and music and multimedia artists Imari Mubarak, James Whalen and Gavin Grant) will be included in Arts and Culture Month, as well as 11 public art tours including a night-time shuttle tour of lit sculptures and adjacent bars, a bike tour, a kids bingo tour and a history tour. Mural installations, a photo display, banners, and the 2024 Visual Art Grant recipient Packard Jennings' works will be featured as well. Gallery 4509 will exhibit the talent of Pixar employees' independent works. The "run of show" is available at <https://www.rottencityculturaldistrict.com/events>

40th Streetscape Public Art - In August, artist Sijia Chen provided prioritized lists of species gleaned from July workshops at the 45th Street Artists Co-op, the Senior Center Picnic at Huchiun Park, and the Emeryville Crescent Community Visioning Community Day at Davenport Park on July 11-13. The PAC reviewed the options for flora and fauna to pair in the design of wayfinding signage in the Project from a list of species gathered by the artists from community members in July, and the PAC recommended that design alternatives include any of the following species:

- Birds, including willet, godwit, or hummingbird,
- A feral black cat or swallow tail butterfly, and
- Plants, including hummingbird sage, blackberry or fennel

The project includes at least 30 artworks made up of many laser-cut images in powder coated stainless steel in and attached to bus shelters, light poles, lean bars and fencing. Additionally, four thematically related sculptures in new cul-de-sacs to be created in the streetscape project and an iconic logo for the project will be created which, if successful and more broadly applicable, perhaps will be incorporated into a future Citywide wayfinding project.

Sharon Wilchar Bus Shelter Art – This program’s seventh phase is underway, with artist Michelle Theberge’s work displayed through August. Phase VIII’s artists were approved by the City Council on June 17, 2025. Artists recommended for Phase VIII are:

1. Robert Ortbal,
2. Stella Kalaw,
3. Carrie Hott,
4. Mila Moldenhawer,
5. Ceci Bowman,
6. Jennifer Mazzucco
7. Teresa Kalnoskas,
8. Torrey Cummings
9. Alla Agafonov

In August, contract design and printing was completed with Jennifer Mazzucco for installation in September. Robert Ortbal will be contracted in September for installation in January 2026.

Visual Art Grants –Fabrication of Packard Jennings’ birdhouses, mimicking two famous buildings and Emeryville’s City Hall in three locations along the north Emeryville Greenway, proceeded through August. Painting, carving and installation of all three houses are anticipated by October, to be featured as part of Art and Culture Month. Public Works staff installed three concrete foundations with additional City support including installation of support posts.

Staff have begun recruiting artists and locations for the 2026 Visual Art Grants, with the PAC voting in August to recommend funding \$122,500 in projects for the 2026 edition of the program.

Sustainability

Strategic Plan Initiative: Sea Level Rise Adaptation Planning

Multi-Year Goal: Quality Infrastructure and Environmental Stewardship

In August, staff continued meeting with partners to coordinate multiple sea level rise adaptation initiatives in and affecting the Emeryville Crescent and revisiting regional partnership roles and responsibilities. On July 1, the City Council approved a revised letter of commitment for the application from SF Estuary Partnership’s (SFEP) for grant funds on July 3rd with the scope amended to include preparation of the Regional Shoreline Adaptation Plan (RSAP) for local adoption under the SB1 East Bay Crescent (EBC) Sub-regional Vulnerability Assessment and Shoreline Adaptation Planning Project and East Bay Crescent Working Group.

In August staff worked with SFEP to resubmit the budget for this grant, reducing all partners' funding by 5%

On August 1, staff attended the Alameda County Planning Managers meeting in Livermore to hear BCDC present on RSAP requirements. Additionally, in August staff hosted the team evaluating Emeryville for the California Coastal Accelerator Cohort program, however, the team later notified staff that Emeryville was not selected for this program. Additionally, staff met with representatives the Army Corps of Engineers Shallow Water Sediment Placement project in August, and learned the project needs cost sharing to be implemented and that the project has been delayed to 2028.

The State Coastal Conservancy is including the Emeryville shoreline as one of ten locations to be part of a cohort of projects to identify designs for living shoreline solutions adaptable to sea level rise, expected to result in 30% design development and further fundraising, starting in 2026.

Other current adaptation initiatives include:

Feasibility Studies:

SFEP Emeryville Crescent Horizontal Living Levee (with TAC)

Pilot Projects:

Army Corps of Engineers Shallow Water Sediment Placement (2028, pending funds)

Adaptation Alternatives Studies:

San Francisco Oakland Bay Bridge Adaptation Study (Caltrans) and TAC

Port of Oakland

If funded - EBC Sub-regional Vulnerability Assessment and Shoreline Adaptation

Planning Project

Collaborations:

AC Transit Climate Resilience Plan Advisory Committee

ADMINISTRATION/OTHER

TOP PRIORITY Strategic Plan Initiative: Public Website

Multi-Year Goal: Resilient Organization and Employer of Choice

“Go-live” of the new website occurred on August 4. Staff fixed broken links and other issues in the first weeks of the website launch. This work is now complete and becomes an ongoing operational effort to maintain. Future months’ reports will indicate this work as “COMPLETE”.

Strategic Plan Initiative: Permit Tracking Software

Multi-Year Goal: Resilient Organization and Employer of Choice

On August 25 and 27, staff from multiple departments participated in all-day “assess and define” sessions to continue the implementation of the Tyler enterprise permitting software.

Department staff attended the following meetings with external parties for interagency coordination, training/education, and networking in the current month:

The PUD/PDP amendment moves the requirement for 10 townhouse units from Parcel A to Parcel F, and the DA amendment replaces the requirement for 18 affordable units on Parcel A with a \$20 million monetary contribution and other commitments from the developer. The new FDP includes a 10-level approximately 432,158 square foot Research and Development building, a 5,182 square foot pavilion building with retail space and long-term employee bicycle parking, a six-level parking garage with 707 parking spaces, and approximately \$4m in public art.	Previous project was residential on Parcel A and office/lab on Parcel B. Parcel A FDP was 167 residential units, approx. 14,000 square feet of retail space, and 222 parking spaces, approved by the Planning Commission on July 23, 2015. Parcel B FDP was 9-story, 120-foot tall building with 150,000 square feet of office/lab space on top four floors, 15,800 square feet of retail space, and 500 parking spaces, approved on appeal by the City Council on January 21, 2020. FDP application for new proposal submitted April 9, 2021. Plans modified to address building and fire code issues; Planning Commission study session held October 28, 2021. City Council study sessions held on November 2, 2021, April 19, 2022, and May 17, 2022. Second Planning Commission study session held June 8, 2022. Planning Commission voted to recommend approval of PUD/PDP amendment and DA amendment on August 25, 2022. City Council approved PUD/PDP amendment and DA amendment on first reading on September 20, 2022, and second reading on October 4, 2022. Planning Commission approved FDP on October 27, 2022. Received building permit application for Parcel A parking garage on December 21, 2022; received building permit application for foundation for life science tower on December 12, 2022; received building permit application for foundation for pavilion on December 28, 2022; approved grading permit application for life science tower on March 24, 2023; approved building permit application for temporary parking along Parcels A and B on May 11, 2023. Received building permit application for parking structure on December 21, 2022. Received building permit application for 10-story tower on August 21, 2023. Received building permit application for pavilion superstructure on October 25, 2023. Approved building permit for pavilion and park on May 6, 2024. All pending Building Permit Applications were allowed by the Developer to expire in December 2024. In March 2025, the developer initiated discussions on amendment of the Development Agreement to provide for the potential reinstatement of residential use for Parcel A. Planning Commission recommended approval of DA amendment on May 22, 2025. City Council adopted first reading of ordinance approving DA amendment on June 17, 2025, and the second reading on July 1, 2025	Nabihah Azim Oxford Properties Group (310) 508-0870 nazim@oxfordproperties.com

On March 22, 2007, Commission deadlocked 3-3 on project, with one recusal, so application went to Council without a Commission recommendation. On April 17, 2007, Council approved project 4-0 with one recusal. Council approved one-year extension request on January 20, 2009. Council considered second extension request on April 20, 2010 and directed that ordinance be modified to allow demolition of existing house prior to issuance of building permit for replacement structure. Revised ordinance was passed on September 21, 2010 and took effect October 21, 2010. Planning Commission considered extension request, and new finding allowing demolition of existing house, on December 9, 2010, and voted to recommend denial to City Council. City Council held public hearing on January 18, 2011 and continued it to February 1, 2011, at which time they voted to approve extension to April 17, 2011, but not to allow demolition of existing house until building permit for replacement structure is ready to issue. Resolution to this effect was passed on February 15, 2011. Building permit applications submitted on January 18, 2011; extended to July 18, 2012 by Chief Building Official on November 21, 2011. Permit applications were approved and ready to issue but expired on July 18, 2012. Permit to remove street tree approved by Planning Commission on September 27, 2012. On March 13, 2014, City received letter from Alameda County District Attorney saying that applicant was the victim of a crime by which the property was fraudulently "sold" several times beginning on March 8, 2011 when a deed with a forged signature was recorded with the Alameda County Recorder. DA requested City to "place the property rights back into position held as of March 8, 2011." Thus, planning and building permits are still considered valid, and have been reactivated after a temporary suspension. Building permits were approved and ready to be issued in December 2016 pending payment of permit fees. On December 12, 2016, received permit application to demolish existing house. Demolition permit issued June 2, 2017; building permits for two new units issued June 7, 2017. Planning Commission recommended approval of design modifications to add roof decks on 4-1 vote with one abstention and one absence on January 25, 2018; City Council approved modifications on 3-2 vote on March 6, 2018. Issued Temporary Certificates of Occupancy on August 19, 2022.
