## HIGHLIGHTS

This report summarizes the activities of the Community Development Department for the month of January 2026. For historical information, prior months' reports are available in the online [Archive](#). For additional details on any of the included topics contact Community Development Director Chadrick Smalley at [csmalley@emeryville.org](mailto:csmalley@emeryville.org).

Major highlights for this period and discussed in more detail below include:

- On January 12<sup>th</sup>, the City of Emeryville welcomed our new Chief Building Official / Fire Code Official, Jason Williams. Jason brings a wealth of knowledge and experience in building regulations, most recently as the City of Napa's Chief Building Official. Jason jumped into the role with both feet on day one, and said "he already feels at home" here in Emeryville.
- On January 20<sup>th</sup>, the City Council authorized the execution of an amendment to the contract with ABG Art Group. ABG Art Group is the City's contractor producing Rotten City Cultural District programs, and this contract amendment allows for the programs to continue through 2026. This year will see artist residencies, another edition of the Emeryville Film Festival in March, and the 2<sup>nd</sup> Arts and Culture Month in October.
- On January 31<sup>st</sup>, Tokyo Central held their grand opening event at Bay Street. The event was extraordinarily well attended, with thousands queued up to experience the huge selection of grocery offerings from Japan. The opening of this store is a major milestone, representing CenterCal Property's successful repositioning of Emeryville's most recognized shopping center.

Lastly, January affords an opportunity for the Department to reflect on the accomplishments of the prior year. A few statistics from 2025:
