APPENDIX: MAJOR PROJECTS TABLE	

HIGHLIGHTS

This report summarizes the activities of the Community Development Department for the month of March 2025. For historical information, prior months' reports are available in the online [Archive](#). For additional details on any of the included topics contact Community Development Director Chadrick Smalley at csmalley@emeryville.org.

Major highlights for this period and discussed in more detail below include:

- On March 21, the City Council held a Strategic Planning Session at the Emeryville Center for Community Life (ECCL). The discussion resulted in the identification of four multi-year goals and a foundational principle of financial health and sustainability, and the identification of four top priorities from amongst 35 ongoing initiatives and projects. The four goals and priorities are summarized in the graphic on the following page. The Community Development Department is the lead department for 19 of the 35 identified initiatives. Future editions of this Monthly Progress Report will be formatted to highlight progress on those identified initiatives.
- In March, the City was notified of its successful application for funding from the Association of Bay Area Governments (ABAG) Transit Oriented Communities Planning and Implementation Housing Policies grant to support: 1) the development and implementation of an inclusionary zoning policy, and 2) to expand protections in the just cause eviction, tenant relocation assistance, and tenant anti-harassment components of the City's Residential Landlord and Tenant Relations Ordinance. The City's application was for \$500,000, and \$250,000 was recommended for award.
- On March 12, a ribbon cutting event was held to celebrate the opening of the Total Wine & More store at 3938 Horton Street. Vice Mayor Kaur provided remarks at this extraordinarily well-attended event, with music, drinks and food provided, and a portion of sales was contributed to the Boys and Girls Club of the East Bay.
- Community and Economic Development Coordinator Valerie Bernardo was promoted to Economic Development and Housing Manager. Valerie has over 20 years of experience, including serving as the Director of Housing and Community Development for the City of Atlanta Georgia before joining Emeryville as a Community and Economic Development Coordinator in 2019. During her tenure here, she created the Measure C Affordable Housing Bond expenditure plan, Emeryville Accessible Living Initiative, First Home Emeryville first time homebuyer program, and COVID-19 Emergency Rental Assistance program; negotiated the Nellie Hannon Gateway, 4300 San Pablo Avenue Intergenerational, and Christie Sites affordable housing projects, and provided immense support for the successful Housing Element Update, in addition to providing knowledgeable and responsive customer service to homeowners and renters on a daily basis. Valerie's role will expand to include involvement in economic development and providing oversight of EDH over the coming months.

CITY OF EMERYVILLE

Strategic Plan

The City Council held its annual Strategic Planning Session on March 21, 2025. The City Manager and Executive Team participated in this session. During the session, the Council discussed and agreed to four multi-year broad goals, and four top priorities for the coming year. Additionally, the Council and Executive Team participated in a visioning exercise.

Multi-Year Goals

Four goals were agreed to by the Council as a framework for the services and projects for which the City allocates staffing and budgets. Each of the goals is stated as a desired outcome. The key activities within each goal area are also shown.

➤ Livable, Safe and Vibrant Community

Public safety services, housing, long range and current planning, recreation, parks, events, engaged community members and partners, arts and creativity, concern for the vulnerable

➤ Quality Infrastructure and Environmental Stewardship

Maintenance and improvement of infrastructure, facilities, fleet, climate policies

➤ Dynamic and Growing Businesses

Support for existing businesses and attracting new ones, diversity of business types, proactive engagement with business community

➤ Resilient Organization and Employer of Choice

Employee training and development, recruitment and retention, information technology, process improvements, customer service

Foundational Principle:
Financial Health and Sustainability

How We Work: Through Innovation
and Continuous Improvement

Top Priorities

The City has many projects and initiatives that are moving forward and will continue. The City Manager and Executive Team report progress on these. The Council determined that its top priorities for the coming year are the following initiatives.

Bicycle and pedestrian focused projects:
40th Street redesign and Ashby Interchange

New website for use by the public with information about City services

Revenue, budget & audits; and Researching revenue measures for 2026

Sutter Health Development

Major Projects Under Construction

The following include brief highlights and status of major projects under construction during the current month. The Number refers to the Major Projects Table.

- Bay Street Grocery Store (No. 15): Building shell is 100% complete, final inspection signoff is pending completion of the plaza improvements and remaining condition of approvals. Tenant Tokyo Central Marketplace building permit for tenant improvements was issued on February 12, 2025. A preconstruction meeting was held in March to overview the project, the Building Division expectations for resubmittals, inspections and contact information were discussed. Construction is expected to start in the beginning of April and entail 8 to 10 months of construction activity before occupancy.

- Nellie Hannon Gateway (No. 21): As of August 2024, physical construction of the building structure was completed, and currently exterior weatherproofing of the structure is 100% completed. The roof assembly has been completed, and solar infrastructure is in place. As of January 2025, all frame inspections were completed, all ceiling, floors, interior, exterior walls were insulated and sheet rocked, and interior finishes are underway. The project is 85% complete with temporary certificate of occupancy pending.

Major Projects Anticipated

The following major developments are anticipated to generate Building Division activity in Fiscal Years 2025 and 2026:

- EmeryStation Overland (Map No. 9); 1567 63rd Street, building plan review extension granted in October 2024. EmeryStation V 1601-1607 63rd Street, demolition permit was issued in November 2024.
- Athan Magannas multifamily development; 1225 65th Street, 4-story residential, 24 units; Valuation \$5.2 million.

Major Tenant Improvements

The following major tenant improvements had building permits submitted, approved, or issued in the current period:

- Atomic Machines Tenant improvement - 1410 62nd Street; Valuation \$5.3 million (issued).
- Ikea – 4400 Shellmound; Valuation \$1.1 million (issued)

Project Meetings of Significance

The Building Division held the following significant meetings in the current period. These meetings variously involve the Chief Building Official, plan check staff, Alameda County Fire Department staff, and the projects' development teams. Their focus is to aid the applicant to identify potential building code issues, alternate materials and methods requests, project scheduling issues, expected fees, and other major building concerns both before and during construction.

<i>Project/Location</i>	<i>Meeting Topic</i>
1420 45th St, Unit 37	Remodel live work unit, mezzanine

Other Policy and Program Activities**Economic Development**

On March 11, 2025, the Art Center Advisory Group (ACAG) met to review the sole response received to the Request for Qualifications for capital fundraising strategy services for the Art Center Project. The ACAG concurred with staff's recommendation to reissue the RFQ with additional outreach and time to respond, to encourage additional submittals. On March 28, 2025, the RFQ was reissued with a submittal deadline of May 9, 2025.

On March 12, 2025, staff attended the ribboncutting event for the Total Wine and More store located at 3938 Horton Street. The event was extraordinarily well attended, and Vice Mayor Kaur provided remarks.

On March 20, and March 24, 2025, staff accompanied City Manager LaTanya Bellow on introductory tours of Pixar Animation Studios and IKEA, respectively.

On March 26, 2025 staff attended the Emeryville Commerce Connection's "Connexions" networking event held at Flores restaurant, at Bay Street.

Affordable Housing

In the current period, staff continued development of programs and policies related to the City's Pro-housing Designation, Affordable Housing Bond Administration and Expenditure Plan, and Housing Element. Staff also presented the first annual report of the Affordable Housing Bond Administration and Expenditure Plan to City Council on January 21, 2025.

The Emeryville Accessible Living Initiative for residential accessibility improvements was reopened to accept applications on a first come first serve basis until December 31, 2024. Staff worked with the six applications to gather information needed to close the loans. Information on the program can be found on the [City's website](#).

The First Home Emeryville down payment assistance program launched in September 2024, and the City received high interest in the program with over 270 applications. Four applicants have received a conditional approval of funds and are in the process of finding a home to purchase. Staff continued processing applications for approval in February from round 1. Hello Housing, administrator of the First Home Emeryville Program, held a round 2 workshop for 70 lottery holders on February 10 on the next step in the application process. Information on the program can be found at [Emeryville Down Payment Assistance \(hellohousing.info\)](#).

Staff continued to explore various tenant stabilization policy options to bring to the Budget and Governance Committee and/or Housing Committee for discussion and policy direction. The policy topics staff is reviewing include:

- Modifications to the Residential Landlord & Tenant Relations Ordinance to expand BMR Tenant Protections

- Capping Unbundled Parking Costs for BMR Tenants
- Modifications to the BMR Tenant Recertification Requirements
- Tenants' Right to Organize
- Modifications to the BMR Rental Guidelines

Staff received notification on the results of the funding application submitted to the Association of Bay Area Governments (ABAG) for a \$500,000 Transit Oriented Communities Planning and Implementation Housing Policies grant to support: 1) the development and implementation of an inclusionary zoning policy, and 2) to expand protections in the just cause eviction, tenant relocation assistance, and tenant anti-harassment components of the City's Residential Landlord and Tenant Relations Ordinance. The Metropolitan Transportation Committee's Planning Committee met on February 14, 2025 and the City's application was approved for \$250,000, however, staff was not notified of the award until March.

Public Art

Sharon Wilchar Bus Shelter Art – This program's seventh phase is underway, with artist Erin Fong's work in place through April. Michelle Theberge's work will be installed in May; layout and printing was completed in March. Phase VIII's Request for Proposals (RFP) was closed in February with the City receiving 22 applicants, of which 20 were eligible for review. The call seeks six new artists for \$5,000 each to have four installations in bus shelters throughout the City. The Selection Panel met on March 5, 2025 and reviewed 16 proposals and made recommendation to the PAC for their consideration on March 13, 2025, for recommendation to the City Council. After the PAC and Selection Panel made recommendations, staff discovered that a technical error kept five applications from being submitted for review. Reconsideration of the missing proposals is expected to be resolved by July 2025.

Visual Art Grants – The Alameda County Fire Department hosted a celebration of artist Rachel Wolfe-Goldstein's mural at Fire Station 34 on March 31, 2025. Schoolchildren, Alameda County firefighters, Emeryville police officers, Watergate residents, the City Manager and Vice Mayor Kaur, the family of firefighter Eric Mikel, artists, and community members all attended a restorative celebration, with media and children's questions deftly answered by the muralist.

A celebration of Chris Granillo's 275 linear foot mural on the railroad facing side of EmeryTech completed in February has been delayed to at least April. Fabrication of Packard Jennings' birdhouses, mimicking famous buildings in three locations along the north Emeryville Greenway, proceeded in March, with the works expected to be installed in April 2025. Staff have begun recruiting artists and locations for the 2026 Visual Art Grants.

2024 Purchase Award - Roberto Gastelumendi's Lanzon de Chavin totem, a 9-foot sculpture now installed in the City Hall lobby, was celebrated on March 27, 2025 with good cheer, many in attendance and tacos and churros enjoyed by all. The over 50 people in attendance sat rapt as they learned how Roberto joins the variety of woods in his piece, mimicking the flow of water while allowing the sky to peer through the seams of the woodworking.

Rotten City Cultural District –In March, the Rotten City Cultural District (RCCD) month-long residencies began with Eugene Tssui. KQED featured the residency and the artist's career in a retrospective. Special events are planned in coordination with each residency.

The schedule for the other artists' residencies is as follows:

- Robert Ortbal, April
- Thomas Jones, May
- Cesar Cueva and Basmah Masood, June
- Salma Arastu, July
- Fernanda Martinez, August
- Jennifer Mazzucco, September
- Lilian Schroth, November month

RCCD banners, signage, projection and sculpture are all under development with implementation expected throughout 2025, as well as a fall marquee event, Arts and Culture Week planned for September or October of 2025. A marquee sculpture is being designed to replace the nonfunctional windmill at the south east corner of the intersection of Powell and Hollis utilizing the existing irrigation for living elements of a multimedia sculpture. This work's unveiling, a pottery jam, and other events that incorporate RCCD mini-grant awardees (including DJ Walt Digz providing a salsa dance party and music and multimedia artists Imari Mubarak, James Whalen and Gavin Grant) will be included in the planned Arts and Culture Week.

On March 22, 2007, Commission deadlocked 3-3 on project, with one recusal, so application went to Council without a Commission recommendation. On April 17, 2007, Council approved project 4-0 with one recusal. Council approved one-year extension request on January 20, 2009. Council considered second extension request on April 20, 2010 and directed that ordinance be modified to allow demolition of existing house prior to issuance of building permit for replacement structure. Revised ordinance was passed on September 21, 2010 and took effect October 21, 2010. Planning Commission considered extension request, and new finding allowing demolition of existing house, on December 9, 2010, and voted to recommend denial to City Council. City Council held public hearing on January 18, 2011 and continued it to February 1, 2011, at which time they voted to approve extension to April 17, 2011, but not to allow demolition of existing house until building permit for replacement structure is ready to issue. Resolution to this effect was passed on February 15, 2011. Building permit applications submitted on January 18, 2011; extended to July 18, 2012 by Chief Building Official on November 21, 2011. Permit applications were approved and ready to issue but expired on July 18, 2012. Permit to remove street tree approved by Planning Commission on September 27, 2012. On March 13, 2014, City received letter from Alameda County District Attorney saying that applicant was the victim of a crime by which the property was fraudulently "sold" several times beginning on March 8, 2011 when a deed with a forged signature was recorded with the Alameda County Recorder. DA requested City to "place the property rights back into position held as of March 8, 2011." Thus, planning and building permits are still considered valid, and have been reactivated after a temporary suspension. Building permits were approved and ready to be issued in December 2016 pending payment of permit fees. On December 12, 2016, received permit application to demolish existing house. Demolition permit issued June 2, 2017; building permits for two new units issued June 7, 2017. Planning Commission recommended approval of design modifications to add roof decks on 4-1 vote with one abstention and one absence on January 25, 2018; City Council approved modifications on 3-2 vote on March 6, 2018. Issued Temporary Certificates of Occupancy on August 19, 2022.
