APPENDIX: MAJOR PROJECTS TABLE	

HIGHLIGHTS

This report summarizes the activities of the Community Development Department for the month of September 2025. For historical information, prior months' reports are available in the online [Archive](#). For additional details on any of the included topics contact Community Development Director Chadrick Smalley at csmalley@emeryville.org.

Major highlights for this period and discussed in more detail below include:

- On September 11th, the Temporary Certificate of Occupancy was issued for the Nellie Hannon Gateway Project at 3600 San Pablo Avenue. This is a major milestone signaling completion of this multi-year effort, which includes 90 units of affordable housing affordable to households earning less than 60% of the Area Median Income, with 43% of the units reserved for formerly homeless households, and ground floor space for the Emeryville Citizens Assistance Program (ECAP). Economic Development and Housing Manager Valerie Bernardo deserves special recognition for her work on this project in its early stages, where she negotiated the permanent financing loan and prepared it for the City Council's approval on extraordinary deadline pressure. All staff involved with this project, including the Economic Development and Housing, Planning, and Building Divisions, Public Works and the City Attorney's office should be proud of their work to make this project possible.
- On September 19th, a Tenant's Rights Workshop was held at City Hall and produced by EDH Staff and Eden Council for Housing Opportunity (ECHO). The event was organized to educate tenants on their rights, with an aim toward reducing evictions and landlord-tenant disputes.
- Over the course of September, work commenced with the City's fundraising strategist, CCS, on the Art Center capital fundraising strategy. A kickoff meeting was held with CCS on September 5th, and the Art Center Advisory Group met with CCS staff to review the process on September 25th.

Other Policy and Program ActivitiesEconomic Development**Strategic Plan Initiative: Art Center Project**

Multi-Year Goal: Quality Infrastructure and Environmental Stewardship

On September 2, the City Council received the operational models report and authorized the execution of a contract with CCS for capital fundraising strategy services. On September 25, the ACAG met with CCS staff to discuss their approach to the work and to orient CCS to the project background.

Strategic Plan Initiative: 1245 Powell/Stanford Park Expansion

Multi-Year Goal: Quality Infrastructure and Environmental Stewardship

In September, staff provided comments to Alameda County Environmental Health on the template Voluntary Remedial Action Agreement.

Strategic Plan Initiative: Build BIPOC Small Business Support Program

Multi-Year Goal: Dynamic and Growing Businesses

On September 17, the EDAC reviewed a program outline and recommended the City Council approve the program. Staff anticipates bringing the program to the City Council in November.

Strategic Plan Initiative: Marketing Program*Multi-Year Goal: Dynamic and Growing Businesses*

In September, 510 Media continued development of the program website, and staff provided feedback on drafts.

Strategic Plan Initiative: Economic Development Outreach – Ongoing*Multi-Year Goal: Dynamic and Growing Businesses*

Please see the table above for staff contacts with prospective businesses, new business, existing businesses seeking assistance, and property owners/real estate brokers on available sites. Additionally, staff began scheduling meetings with key stakeholders to discuss potential revenue measures.

On September 11, staff attended the East Bay Economic Development Alliance (East Bay EDA) Global Forum held at Doubletree Hotel in Berkeley. The event featured a panel discussion with the General Consuls of several countries to discuss the current trade environment, and the East Bay's place in the global economy.

On September 18, staff attended the East Bay EDA's Economic Development Director's Council meeting held at PG&E's offices in Oakland. This event featured a discussion with PG&E on service improvements and how PG&E supports local economic development.

Affordable Housing**Strategic Plan Initiative: 4300 San Pablo Affordable Housing***Multi-Year Goal: Livable, Safe and Vibrant Community*

EAH notified the City that their application for State Multifamily Housing Program funds was not successful in receiving an award. EAH will continue to work with staff to determine the financing strategy and identify new funding sources.

Strategic Plan Initiative: Christie Sites Affordable Housing (The Perennial)*Multi-Year Goal: Livable, Safe and Vibrant Community*

Staff continued to meet with the developer to discuss financing options/progress.

Strategic Plan Initiative: First Home Emeryville

Multi-Year Goal: Livable, Safe and Vibrant Community

The First Home Emeryville down payment assistance program launched in September 2024, and the City received high interest in the program with over 270 applications. Three First Home Emeryville loans have closed. Two applicants have an active conditional approval of funds and are in the process of finding homes to purchase.

Strategic Plan Initiative: Accessible Living Initiative

Multi-Year Goal: Livable, Safe and Vibrant Community

All six borrowers completed work under the EALI program in June. Staff submitted for and awaits reimbursement of the grant funds that supported this program (Prohousing Incentive Program).

Strategic Plan Initiative: Housing Element Implementation (short term)

Multi-Year Goal: Livable, Safe and Vibrant Community

Staff continued to work on a variety of Housing Element programs. Below is an update on three programs underway.

Program A. Affordable Housing Program

The City Council approved the consultant contract on July 15th for this grant-funded effort. Meetings with the consultant were held on August 7 and 21. In September, the consultant continued work on an inclusionary zoning policy landscape and peer city survey.

Program EE. Resident Engagement

Recommendations on advisory committee composition were discussed at a study session of the City Council on September 2nd. The City Council recommended the staff amend the advisory committee compositions as proposed.

Program MM. Monitor Changes in Federal/State Housing, Planning & Zoning Laws

Staff continued to monitor the California legislature and updated the housing legislation tracking report as bills moved through the legislative process.

Strategic Plan Initiative: Tenant Protection Updates

Multi-Year Goal: Livable, Safe and Vibrant Community

Staff continued its work on a variety of tenant stabilization policy options. The policy topics staff are currently working on include:

- Modifications to the Residential Landlord & Tenant Relations Ordinance to expand BMR Tenant Protections
- Capping Unbundled Parking Costs for BMR Tenants
- Modifications to the BMR Tenant Recertification Requirements
- Tenants' Right to Organize
- Modifications to the BMR Rental Guidelines

As noted above, the City secured a \$250,000 Transit Oriented Communities Planning and Implementation Housing Policies grant to support: 1) the development and implementation of an inclusionary zoning policy, and 2) to expand protections in the just cause eviction, and tenant anti-harassment components of the City's Residential Landlord and Tenant Relations Ordinance. These funds will support some of staff's work on tenant stabilization policies. In June, staff obtained a proposal from a consultant to assist staff with the tenant protection policy work. Project kick-off occurred in September.

On September 19th, ECHO held a Emeryville Tenant Rights Workshop at City Hall that was open to tenants, property managers and property owners.

Strategic Plan Initiative: Measure C Bond Programs

Multi-Year Goal: Livable, Safe and Vibrant Community

See the updates for First Home Emeryville, 3600 San Pablo Avenue, 4300 San Pablo and Christie Sites affordable housing project, which are funded by Measure C programs. Staff began drafting the program guidelines for the Rental Rehab Program.

Public Art**Strategic Plan Initiative: Cultural District Programs***Multi-Year Goal: Livable, Safe and Vibrant Community*

In September, the Rotten City Cultural District (RCCD) month-long residencies continued, with Jennifer Mazzucco. Additional upcoming residences include: Lilian Schroth in November. October will include a special show celebrating artists with works in the City's collection for Art and Culture month and a panel providing artists with insight on how to have their work procured under public art programs and by private developers.

As part of Art and Culture Month, staff worked to coordinate a variety of events including an event at Jered's Pottery called "Clay with your Food", a salsa dance party with multimedia artists Imari Mubarak, James Whalen and Gavin Grant, and 11 public art tours Gallery 4509 will exhibit the talent of Pixar employees' independent works. The "run of show" is available at <https://www.rottencityculturaldistrict.com/events>

40th Streetscape Public Art - In September, artist Sijia Chen provided initial concepts for wayfinding imagery gleaned from July workshops held at three community locations after the PAC reviewed the options for flora and fauna to pair in the design of wayfinding signage in the Project. The artist included a willet hummingbird, a feral black cat and a swallowtail butterfly playing in and around a bike. Final drafts incorporating the three different signage types are expected by October 24 and are to be reviewed by the public and the PAC in November.

The project includes at least 30 artworks made up of many laser-cut images in powder coated stainless steel attached to bus shelters, light poles, lean bars and fencing. Additionally, four thematically-related sculptures in new cul-de-sacs to be created in the streetscape project and an iconic logo for the project will be created which, if successful and more broadly applicable, perhaps will be incorporated into a future Citywide wayfinding project.

Sharon Wilchar Bus Shelter Art – This program's eight phase is underway, with artist Jennifer Mazzucco's work displayed through December. Phase VIII's artists were approved by the City Council on June 17, 2025. Additional artists recommended for Phase VIII are:

- Robert Ortbal,
- Stella Kalaw,
- Carrie Hott,
- Mila Moldenhawer,
- Ceci Bowman,
- Teresa Kalnoskas,
- Torrey Cummings
- Alla Agafonov

Robert Ortbal was contracted in September for installation in January 2026.

Visual Art Grants –Fabrication of Packard Jennings’ birdhouses, mimicking two famous buildings and Emeryville’s City Hall in three locations along the north Emeryville Greenway, proceeded through September with City Public Works staff installation of support posts. Installation of the three houses is anticipated by October, to be featured as part of Art and Culture Month.

Work has begun for the 2026 Visual Art Grants, to be released in January with \$122,500 in funding for projects for the 2026 edition of the program.

Sustainability

Strategic Plan Initiative: Sea Level Rise Adaptation Planning

Multi-Year Goal: Quality Infrastructure and Environmental Stewardship

On September 30, staff attended the California Ocean Protection Council’s September Meeting where the Council awarded the San Francisco Estuary Partnership and the Cities of Emeryville, Berkeley and Albany \$2.2 M for the development of each community’s Regional Shoreline Adaptation Plan. Sub agreements are not expected until 2026, with work beginning only after these are completed.

Staff attended the “Exploring the Science and Practice of Living Seawalls for Informed Design” event in Sausalito, and met with Save the Bay staff to discuss Emeryville Flood Resilience preparation as part of a regional assessment.

The State Coastal Conservancy is including the Emeryville shoreline as one of ten locations to be part of a cohort of projects to identify designs for living shoreline solutions adaptable to sea level rise, expected to result in 30% design development and further fundraising, starting in 2026.

Other current adaptation initiatives include:

Feasibility Studies:

SFEP Emeryville Crescent Horizontal Living Levee (with TAC)

Pilot Projects:

Army Corps of Engineers Shallow Water Sediment Placement (2028, pending funds)

Adaptation Alternatives Studies:

San Francisco Oakland Bay Bridge Adaptation Study (Caltrans) and TAC

Port of Oakland Frontline Community Assessment

ADMINISTRATION/OTHER**TOP PRIORITY Strategic Plan Initiative: Public Website***Multi-Year Goal: Resilient Organization and Employer of Choice***COMPLETE****Strategic Plan Initiative: Permit Tracking Software***Multi-Year Goal: Resilient Organization and Employer of Choice*

On September 11, staff from multiple departments participated in an all-day “assess and define” session, and on September 29 and 30 “fundamental practicum” sessions to continue the implementation of the Tyler enterprise permitting software.

Department staff attended the following meetings with external parties for interagency coordination, training/education, and networking in the current month:

Emeryville Commerce Connection Connexion Networking Event	8/27

Planning organized an interdepartmental tour for those involved with the permitting and inspection of the Nellie Hannon Gateway project. This tour provided staff that worked on the project, but that don't normally get the opportunity to see the finished project, an opportunity to walk through the building and discuss the building process and future building function, with the developer.

All department staff participated in trainings for the City's new agenda management software, "OneMeeting". The shift to this software represents a significant process change for the Department's handling of City Council agenda items, and the system is planned to be utilized for Planning Commission and Advisory Committee agendas as well, in the future. The system will first be utilized for City Council items beginning in November.

On March 22, 2007, Commission deadlocked 3-3 on project, with one recusal, so application went to Council without a Commission recommendation. On April 17, 2007, Council approved project 4-0 with one recusal. Council approved one-year extension request on January 20, 2009. Council considered second extension request on April 20, 2010 and directed that ordinance be modified to allow demolition of existing house prior to issuance of building permit for replacement structure. Revised ordinance was passed on September 21, 2010 and took effect October 21, 2010. Planning Commission considered extension request, and new finding allowing demolition of existing house, on December 9, 2010, and voted to recommend denial to City Council. City Council held public hearing on January 18, 2011 and continued it to February 1, 2011, at which time they voted to approve extension to April 17, 2011, but not to allow demolition of existing house until building permit for replacement structure is ready to issue. Resolution to this effect was passed on February 15, 2011. Building permit applications submitted on January 18, 2011; extended to July 18, 2012 by Chief Building Official on November 21, 2011. Permit applications were approved and ready to issue but expired on July 18, 2012. Permit to remove street tree approved by Planning Commission on September 27, 2012. On March 13, 2014, City received letter from Alameda County District Attorney saying that applicant was the victim of a crime by which the property was fraudulently "sold" several times beginning on March 8, 2011 when a deed with a forged signature was recorded with the Alameda County Recorder. DA requested City to "place the property rights back into position held as of March 8, 2011." Thus, planning and building permits are still considered valid, and have been reactivated after a temporary suspension. Building permits were approved and ready to be issued in December 2016 pending payment of permit fees. On December 12, 2016, received permit application to demolish existing house. Demolition permit issued June 2, 2017; building permits for two new units issued June 7, 2017. Planning Commission recommended approval of design modifications to add roof decks on 4-1 vote with one abstention and one absence on January 25, 2018; City Council approved modifications on 3-2 vote on March 6, 2018. Issued Temporary Certificates of Occupancy on August 19, 2022.
