FOR IMMEDIATE RELEASE

UPDATE

FIBER OPTIC INFRASTRUCTURE INSTALLATION ALONG I-80 IN CONTRA COSTA SOLANO AND ALAMEDA COUNTIES

Full closure of various eastbound and westbound I-80 on and off ramps, as well as the I-980 connector to I-880, I-80 to SR-4 , including lane and local street closures.

Sunday through Thursday, Nightly, between 9 PM -5 AM

CONTRA COSTA COUNTY – Caltrans announces ongoing closures associated with the Fiber Optic Infrastructure Project affecting eastbound and westbound I-80, I-980, and I-580 in Contra Costa, Solano, and Alameda Counties. Construction activities pertaining to the installation of new fiber optic infrastructure will take place during overnight hours, from 9 PM to 5 AM, to reduce disruptions to traffic flow.

Caltrans will conduct nightly lane and ramp closures on eastbound and westbound I-80 from West MacArthur Boulevard to the Carquinez Bridge. Additional nightly closures will occur near the Carquinez Bridge and from the I-980/I-580/880 interchange to the I-580/I-80 connector for the project duration.

Work is tentatively scheduled to continue through Winter 2028 and will require intermittent closures between **9:00 PM and 5:00 AM**, Day time work may occur with freeway shoulder and local street closures between 7:00 AM and 3:30 PM. To search for current District 4 lane closure information, [please click here](#).

What to Expect: *All work is weather dependent and subject to change.*
